

Education Committee Report

Good turnout for C604. Attendance this year has been lower than what we saw last year in our Chapter classes.

We have added the SR/WA review course and exam for December 8-10th in Charlotte. HDR will provide space in their uptown office. It is already advertised.

I am having a difficult time finding course coordinators. To become a course coordinator the course is quick, the exam is easy and it's free. You can also take the course you coordinate for free.

IRWA has updated the course coordinator course. If you need to renew you are know able to do so now.

The 2016 course schedule is to provide the R/W NAC – Negotiation/Acquisition Certification.

The 2017 course schedule is to provide the R/W-RAC Relocation Assistance Certification

C103 Ethics and the Right of Way Profession will be offered at the next seminar in February.

I am always open to suggestions regarding the courses so please contact me if you need something in particular at holly.whitley-cataldo@hdrinc.com
